All RMT tank models are manufactured in compliance with the requirements of the current CSA and IAPMO standards.
All RMT tank models are manufactured with FDA resins listed with NSF and comply to the NSF 61 standard

MULTITANK Warranty Roth Global Plastics, Inc. guarantees the Roth MultiTank for a lifetime corrosion protection and five years of labor coverage insurance. Lifetime is the expected service life. See warranty for details.
The Roth labor coverage insurance is coverage on workmanship and product cost, which includes the replacement and excavation of tank, up to \$2,500. This is subject to proper installation according to Roth's installation manual and the installer must be certified by a Roth Representative. Please contact us for more information on joining our elite group of certified installers

STAR Warranty Roth Global Plastics, Inc. guarantees the Roth STAR System for a period of five years from date of purchase against any manufacturing defects, providing the system has been used and installed in accordance with manufacturer's written instructions. Roth Global Plastics, Inc. will, at its option, repair or replace any system it deems to be defective and Roth Global Plastics, Inc. obligations under this warranty are strictly limited to the repair and/or replacement of the defective system. Roth Global Plastics, Inc. assumes no liability in cases of improper installation or misuse. Roth Global Plastics, Inc. is not responsible for any resulting contingent liabilities or charges. Warranty applies only to the original system installation.

Terms Terms and conditions of sale apply. See Roth Global Plastics, Inc. credit application for details.
